Eden Project**

Tuesday 30th April

BALLET

Wednesday 1st May

Thursday 2nd May

**Yr5 return from
residential**

**14.30 Swimming –
Year 3**

Friday 3rd May

Dear Parents

Welcome to the Summer Term 2019. As ever, it was a pleasure to see our pupils and staff return from the holiday refreshed and revived.

In our start of term assembly on Thursday we discussed:

Who had had a birthday in the holiday?

Who had been away from home?

Who had been helpful and kind to adults, siblings and peers?

We also discussed how our English language changes and develops referencing the 600 new words that had been added to the Oxford English Dictionary this year. Our pupils could most easily identify new technology related words that might have been included since I was at school. Examples cited were ipads, mobile phones and artificial intelligence. Other generic words proved harder although I did mention Brexit. We also talked about slang and made up words. Together we are going to come up with some new words that encapsulate all that is best about us. We also debated the recent press coverage of Prince Charles using z and not s in some words e.g. civilization.

We did not have an assembly on Friday in order to allow classes time to vote for their class officials. These will be announced next week.

We welcomed two new pupils in our Younger Nursery this week and they both settled in quickly as if they have been with us all year.

Our inspection report is currently with ISI for editing and the final version will be shared with you as soon as we receive it. We anticipate that this will be before half term.

Ms Costa and Ms Fairbank will be going on maternity leave this term and we wish for them a wonderful journey into motherhood.

This term is as busy as ever and I look forward to seeing you on many occasions not least our Sports Day and Shine assemblies.

Wishing you a happy weekend

Yours sincerely

Jane Rogers

Reminders!

Easter Holiday Housekeeping

As is usual during the school holidays, we took the opportunity to do some “housekeeping”. This involved servicing our fire extinguishers, fire alarm and fire shutters; burglar alarm and CCTV; gym equipment; building controls, mansafe lines, and lift in St. Mary’s; photocopiers and cleaning our windows.

We have also upgraded the fire rating of our meter cupboards, installed new soap dispensers in the cloakrooms and had our pianos tuned. Lastly, we have also been busy gardening in anticipation of warmer summer months in the playground.

Congratulations to Sophie who worked so hard on Mathletics during the holiday!
